

PYRANOSIS

FORBIDDEN SECRETS OF GENETICS, ISRAEL, EDEN AND THE GREAT PYRAMID REVEALED

For millennia the Great Pyramid at Giza has been a mystery for scholars and theologians alike. Constructed thousands of years ago with techniques and for reasons, both of which are unknown to the world today, it has stood the test of time, enduring weather, war, natural disasters, pillaging and more. Its presence has perplexed mankind, but the mysterious truth surrounding this ancient edifice, is more far-reaching than humanity has ever known. Recent research into the most ancient and enigmatic language of the Sumerian Cuneiform by Dr. Scott McQuate has revealed shocking, never-before-seen clues that have answered many long-term questions surrounding this ancient monument. What does the Great Pyramid symbolize, really? Who built this incredible landmark? What is its purpose? And much more. Within this book you will learn answers to these questions and many more that the world has never known, including the all-important, mind-blowing and concealed connection of the Great Pyramid to the land of Israel, the Garden in Eden, your genetics and more! Discover the long-forbidden answers that finally reveal the secrets surrounding the Great Pyramid that have been hidden from the world for thousands of years!
