

In the Old Testament, Daniel is told to 'seal up the book until the time of the End when knowledge will increase'. Did you know that we are living in that time, today? For centuries, scholars and theologians have taught misleading doctrines that were forged in Babylon more than twenty six hundred years ago by those referred to in Jeremiah 8:8 as the 'Lying Scribes'. Today, this prophesied increase in knowledge, brought to light through the research of Dr. Scott McQuate, is revealing hidden truths that have been buried beneath those lies, and one of the most astonishing truths that has been exposed for the first time ever, is the real story of the epic event known as The Tribulation which the book of Mathew states will be the most catastrophic event that the world will ever experience. For the first time in history you can now learn ancient secrets about The Tribulation that have never been revealed, including:

- The real meaning of the word 'Tribulation' that has never been exposed and what all-important truth it hides,
- The identity of an ancient worm, spoken of in the Bible that was spliced long ago, through genetic alchemy, and its connection to your DNA,
- What clues the Canaanites, Mayans, Sumerians, Greeks, Hebrews and others left us about this event that have been concealed,
- The secret connection between the mysterious and misunderstood Djedd Pillar of the Egyptians and the object known as the 'Millstone' in the Bible that is said to destroy Babylon,
